Action Taken Report by CDC on Feedback Analysis Report

(Session 2019-2020)

As mentioned in CDC meeting Hon. CDC member Prof. Miss S. P. Junghare put up the feedback analysis in front of committee.

After looking at the entire feedback analysis report, the students pointed out that some issues need more attention and the following instructions were given accordingly.

- 1) The computer in the computer room should be started before the student reaches the practical.
- 2) Increase the number of books in the library
- 3) Teachers should organize expert lectures related to their subject.
- 4) It was directed to focus on how all the students would participate more in the seminars / workshops.
- 5) The administrative office was instructed to make the students less bothered about office related work.
- 6) Teachers were instructed to take regular class tests.
- 7) The students, alumni's and employees are very satisfied with the syllabus offered by the university. Teachers are also satisfied with the curriculum.
