**Report on “Expert Lecture Web Development Program”**

One day Expert Lecture on Data Mining conducted by R.B.College in presence of president J.M.Tiwari (Principal R.B.College) and special guest of this program are Miss Prof. Asfiya Sheikh, Assistant Professor, Radhikatai Pandav College of Engineering, Nagpur. This program conducted on 06/10/2017.

In this Program Miss. Asfiya Sheikh has given information on Web development is the building and maintenance of websites; it's the work that happens behind the scenes to make a website look great, work fast and perform well with a seamless user experience. Web development includes many types of web content creation. Some examples include hand coding web pages in a text editor, building a website in a program like Dreamweaver, and updating a blog via a blogging website. In recent years, content management systems like WordPress, Drupal, and Joomla have also become popular means of web development. These tools make it easy for anyone to create and edit their own website using a web-based interface.

### Report on Dr. Chari's Personality Development Seminar

One day motivational seminar on topic "**Looking Away**" organized by Randhirsingh Bhadoriya Mahavidyalaya Umred on dated 10<sup>th</sup> February 2018. The speaker of this seminar was Dr. Suresh Chari (Motivational Speaker) Nagpur. The president of seminar was Prof. Miss S. P. Junghare. The introduction of the program was given by Prof. R. S. Bhusari.

Dr. Chari covered the topics which are related to students Career. He said how failures will helps to grow our inner potential. He talks about comfort zone. He said that comfort zone is always dangerous. Student should think out of comfort zone to grow career. Change is necessary to grow remarkably. Student should always think positive in every kind of conditions. He said that don't look at towards problem as a problem, instead of looks towards as a puzzle and try to solve the puzzle. Dr. Chari said, "every student should try to learn new things, read new books, search new topics related to study on internet, and improve soft skills as well as hard skills."

Lastly the seminar was concluded with vote of thanks proposed by Prof. A. G. Pande.

**Report on "Importance of Computerized Accounting using tally in Business Organization" Seminar**

One day Seminar on Importance of Computerized Accounting using tally in Business Organization conducted by R.B.College in presence of president J.M.Tiwari (Principal R.B.College) and special guest of this program are Miss Mr. Vrushabsingh S. Bais, E-Learning Support Engineer, Hyderabad. This program conducted on 4/8/2018.

In this Program Mr. Nilesh Ugemuge has given information about Tally is one of the most widely used financial accounting softwares. It is used by various types of trade and industries. It is a comprehensive business accounting and inventory management software that provides various facilities like multi-lingual operations, online functions, legally supported reports, etc.

In 2009, Tally Solutions introduced the software Tally.ERP 9. The software offers comprehensive business management solution. It maintains all books of accounts. Different types of vouchers such as vouchers for receipt, payment, sales, purchases, etc., can be used for recording transactions. It follows the principle of double entry system of book keeping. In 2017, it was updated to comply with the Indian Goods and Services Tax (GST) requirements.

**Report on "Expert Lecture Database Management System"**

On 19<sup>th</sup> July 2019 Database Management System Expert lecture organized in Randhirsingh Bhadoriya Mahavidyalaya, Umred Dist:- Nagpur. The speaker of this expert lecture was Mr. Ankit Lokhande, Specialist Officer SBI Nagpur.

Mr. Ankit Lokhande started his lecture about Computer programming can develop student's critical thinking capabilities. Computer programming can develop student's critical thinking capabilities. Database management system is needed for data within the company. It is needed to maintain strong relationships between data. This system allows newer and better updates. It helps the brand manager to search the data in a better manner. DBMS is important because it manages the data efficiently and allows users to perform multiple tasks on it with the ease. Lastly the seminar was concluded with vote of thanks proposed by Vaishali Randive (BCCA 2<sup>nd</sup> year student).

**Report on "Expert Lecture Data Mining"**

One day Expert Lecture on Data Mining conducted by R.B.College in presence of president J.M.Tiwari (Principal R.B.College) and special guest of this program are Miss Priyanka Padole, Associate Professor, Smt. Radhikatai Pandav College of Engineering, Nagpur. This program conducted on 20/07/2019.

In this Program Miss Priyanka Padole has given information on Data mining is the process of discovering patterns in large data sets involving methods at the intersection of machine learning, statistics, and database systems.

The data mining step might identify multiple groups in the data, which can then be used to obtain more accurate prediction results by a decision support system. Neither the data collection, data preparation, nor result interpretation and reporting is part of the data mining step, but do belong to the overall KDD process as additional steps.

### **Report on Scope of Computer Programming Seminar**

One day seminar on Scope of Computer Programming conducted by R.B.College in presence of president J.M.Tiwari (Principal R.B.College) and special guest of this program are Mr. Ankit Lokhande, Specialist Officer SBI, Nagpur. This program conducted on 20/07/2019.

In this Program Mr. Ankit Lokhande has given information on Importance of 'C' Programming Language. C language is a famous programming language due to its qualities. It is robust language whose rich setup of built in functions and operator can be used to write any complex program. C is one of the foundations for modern information technology (IT) and computer science (CS). C is the most commonly used programming language in industry. C is the language of choice for programming embedded and mechanization systems with hardware interfaces. C is one of the most commonly used programming languages in colleges and universities. C is the base for almost all popular programming languages. C excels as a model of programming languages. Once students have learned C, they can pick up any other languages by themselves. C is a standardized programming language with international standards. Computer programming is becoming a necessary skill for many professions. Computer programming can develop student's critical thinking capabilities.

**Report on "Expert Lecture Data Warehousing"**

One day Expert Lecture on Data Warehousing conducted by R.B.College in presence of president J.M.Tiwari (Principal R.B.College) and special guest of this program are Mr. Vaibhav R. Bhedi, Associate Professor, V.M.V. College, Nagpur. This program conducted on 27/01/2020.

In this Program Mr. Vaibhav R. Bhedi has given information on a data warehouse helps business executives to organize, analyze, and use their data for decision making. A data warehouse serves as a sole part of a plan-execute-assess "closed-loop" feedback system for the enterprise management. Data warehouses are widely used in the following fields –

- Financial services
- Banking services
- Consumer goods
- Retail sectors
- Controlled manufacturing

A data warehouses provides us generalized and consolidated data in multidimensional view. Along with generalized and consolidated view of data, a data warehouses also provides us Online Analytical Processing (OLAP) tools. These tools help us in interactive and effective analysis of data in a multidimensional space. This analysis results in data generalization and data mining.

**Report on "Expert Lecture English & Business Communication"**

On 8<sup>th</sup> February 2020 English Expert lecture organized in Randhirsingh Bhadoriya Mahavidyalaya, Umred Dist:- Nagpur. The speaker of this expert lecture was Mrs. Vijitha Sebastian Adappoor, Senior Teacher, Ahok Jr. College, Umred.

The talk was on the use of punctuation in language. Introduction dealt with the need for language in primitive societies. The sounds formed word and gradually a language system was accepted.

The pauses in the spoken form provided clarity to the thought. These pauses became effective due to punctuation in language.

First spaces between words were introduced and then the different punctuation marks. It was concluded with the statement that punctuation in language helps a person to express better. Lastly the seminar was concluded with vote of thanks proposed by Komal Nagpur (BCCA 1<sup>st</sup> year student).

**Report on "Life lessons from Legendry Chhatrapati Shivaji Maharaj"**  
**Seminar**

One day seminar on "Life lessons from Legendry Chhatrapati Shivaji Maharaj" organized by Randhirsingh Bhadoriya Mahavidyalaya Umred on dated 10<sup>th</sup> august 2019. The speaker of this seminar was Dr. Sumant Tekade (Corporate Trainer) Nagpur. The Chief guest was Hon. Neha Bhadoriya(Sahu), Joint Secretary Shri Sant Gulabbaba Shikshan Sanstha Umred. The president of this seminar was Principal Prof. Miss J. M. Tiwari. The introduction of the program was given by Ku. Vaishali Randive (BCC-II year student).

Dr. Sumant Tekade started his seminar by telling story of Afzal Khan's vadh by Chhatrapati Shivaji Maharaj. Through this story he tells the different life lessons to students. Killing of Afzal Khan is one of the important milestones in Shivaji Maharaj's life.

Important lessons of story are of the following:

- Always think two steps ahead of the enemy.
- Always think positively in any situation.
- Keep your self-esteem high in difficult situations.
- Don't be ignorant.
- Do proper planning and Strategy.

Lastly the seminar was concluded with vote of thanks proposed by Praful Dighore (BCCA 2<sup>nd</sup> year student).
